## **Redhawk Wealth Advisors Partners with AdvisoryWorld to Enhance Tool-Set for Advisors**

**Minneapolis, MN** (3.17.2014) – Redhawk Wealth Advisors, Inc., a leading full-service turnkey RIA, has recently partnered with AdvisoryWorld in order to enhance the services and tools for affiliated advisors. Redhawk will integrate the AdvisoryWorld SCANalytics portfolio analysis and investment planning application into its advisor platform.

SCANalytics will enable advisors to provide clients robust portfolio research reports and proposals along with model allocation and performance analysis. The application will significantly enhance the reporting and analysis for advisors to meet the needs and high expectations of their most demanding clients.

SCANalytics is an intuitive application which features seamless integration with leading portfolio management and CRM applications. Redhawk will integrate the SCANalytics application with the following service partners:

- TD Ameritrade
- Schwab
- Orion Advisor Services
- Redtail CRM

“We looked at virtually every application available in the marketplace and AdvisoryWorld has an incredible set of robust features and is extremely easy to use which will make an immediate impact with our advisors. We are very excited to be working with AdvisoryWorld and they are very knowledgeable and a great partner,” said Dan Hunt, CEO, Redhawk Wealth Advisors.
