ECA Marketing Selects Redhawk Wealth Advisors for RIA Services

Minneapolis, MN (8.28.2013) – Redhawk Wealth Advisors, Inc., a leading full-service turnkey RIA (“Redhawk”), has entered into a strategic alliance with ECA Marketing, a national marketing and insurance organization (“ECA”). Under the strategic alliance, Redhawk will be the preferred RIA for ECA and its advisors. ECA’s advisors will affiliate with Redhawk for wealth management and retirement plan services.

ECA was founded in 1985 and is headquartered in Minneapolis, MN. ECA is a prominent financial institution and serves over 10,000 independent advisors with a broad array of financial services and insurance products. ECA strives to provide education, innovative marketing opportunities, and advanced sales strategies and support to independent insurance and financial professionals.

“We conducted an exhaustive search of RIA providers in the marketplace and Redhawk offered the most comprehensive solution and best service support model for our advisors. Many of our advisors are new to the securities world and we were extremely impressed with Redhawk’s ability to put together a program that will educate and train our advisors in a very short-time frame. We also plan to have a Redhawk representative onsite at ECA to assist in rolling out the program and supporting marketing representatives. Redhawk will play a key role in expanding our value-added solutions that will substantially increase our ability to acquire assets under management,” said Joe Spillman, President of ECA.

Dan Hunt, CEO at Redhawk, said, “ECA is a top-notch marketing organization and we are very excited to start supporting their advisors. By combining our respective strengths, we are very confident that this partnership will be well-received and successful in the marketplace. We couldn’t ask for a better partner and we look forward to helping ECA achieve the same successes in the wealth management and retirement plan marketplace.”
